

ARIVO Cash Payment Terminal

Payment of parking fees as usual

Whether paying with cash or using cashless methods, the Arivo cash payment terminal provides your parking customers with complete freedom to choose their preferred payment option. Thanks to its robust housing, it is ideally suited for outdoor use and is exceptionally resistant to vandalism.

Advantages

- ✓ **Various payment options**
Allows for payment with cash (coins and banknotes) as well as all common cashless payment systems
- ✓ **Simple handling**
Thanks to 21,5" touch display, streamlined manu navigation & visual feedback in the form of help texts
- ✓ **Protected against vandalism**
Thanks to a 6-point locking bolt system, internal hinges, a secure DRUMM lock, and narrow gap dimensions
- ✓ **Weatherproof & suitable for outdoor usage**
Particularly corrosion-resistant; thanks to housing & internal parts made of V2A & V4A stainless steel
- ✓ **Integrated barcode & QR-code reader**
Ideal for redeeming parking discounts
- ✓ **Emergency call button & intercom system**
As a back-up & with VoIP function (any telephone number can be stored as an emergency number)

Various payment options

This payment machine enables payment by cash (coins and banknotes), debit card, credit card or mobile payment (such as Apple or Google Pay).

Cash accepted as follows:

- Coins: 10 ct; 50 ct; 1 € & 2 €
- Banknotes: 5 - 50 €

Simple handling

Enter the license plate number. Redeem any discounts. Select the preferred option. And proceed with payment.

After successful payment, get your invoice by scanning the QR-code.
