

ARIVO Discount management

Simple discounting of parking fees

Bid farewell to tedious administration and discount processes.

With us, you can effortlessly set up, manage, and settle parking fee discounts, even when dealing with multiple partner companies. Different discount types offer flexibility, while various redemption options enhance the overall user experience.

Advantages

- ✓ **Intuitive & simple administration**
The intuitive interface simplifies administration of discounts, even with multiple partner companies.
- ✓ **Flexible discount management**
Adaptable to your requirements with different discount types & redemption options.
- ✓ **Quick setup of discounts**
Define the discount type and value, set a time limit if necessary & define the redemption type. Done.
- ✓ **Automated reporting**
For your accounting & for onward billing
- ✓ **100% digital & paperless possible**
Fully digital with the Arivo discount tablet.

The Arivo discount tablet - Intuitive discount redemption for parkers

Ideal for redeeming discounts in busy areas at **your partner companies** such like the entrance areas of gyms or medical offices.

The Arivo discount tablet provides your parkers an outstanding user experience, thanks to **intuitive operation** and trouble-free **'round-the-clock' operation**. Setting up the tablet is very simple as well: completed – it takes just a few minutes and requires no prior technical knowledge.

The features of the Arivo discount management

-  **Management** of different discounts & multiple partner companies
-  **Time limits** limited or unlimited validity of discounts
-  **Various types of discounts:** Fixed amount, free parking time, change of tariff or full cost coverage
-  **Automatically generated reports** for accounting purposes or for invoicing your partners
-  **Different options to redeem discounts:** Via Arivo Discount Tablet, web interface or with a QR code during payment
-  **Quick & easy setup** of compensations or the discount tablet via QR code

Intuitive redemption of discounts with the Arivo discount tablet

1. Enter license plate number

To redeem a discount, parkers only need to enter their license plate number via the touchscreen.

2. Discount will be deducted

Upon successful input, the payment is instantly deducted from the parking fee or the parking duration to be paid.

3. Pay remaining amount

The remaining amount can be paid conveniently by your customers, for example at the Arivo Cashless Terminal.
